PowerPro™ Packages

Wireless SD

PA919SD *shown*

This bundled solution includes the PA919SD combined with a wireless companion speaker (PA919PS), a wireless handheld mic (Q319), a wired mic, remote volume control, two tripods, and mic stand (not shown). Since the PA919SD transmits its audio without using cables, adding additional PAs for larger groups is as easy as matching the frequency of the added companion speakers to the PA919SD. This package can accommodate groups up to 2,000 people.

PA919SD-A $3,366
PA919A *with PA919 instead of PA919SD (not shown)* $3,327

Deluxe

This package combines the PA919 with a non-powered support speaker (PA919SP). Mics, mic holder, tripods, floor stand, and speaker cable are included.

PA919D *(not shown)* $2,743

Basic

This value-focused option provides the basic components for high quality audio with a PA919, a tripod, microphone, and mic holder with floor stand.

PA919B *(not shown)* $1,899

PowerPro Companion Speaker

This stand alone wireless PA can also double as a wired and/or wireless companion speaker for the PowerPro models and can also be set to the same frequency as a wireless PresentationPro. Its 16-channel UHF wireless mic receiver offers maximum flexibility in a variety of applications.

PA919PS *(shown top right corner of page)* $1,067

PowerPro Companion Speaker Kits

These *"plug and play"* packages are simple and easy to use. Just turn on the power and match the receiver and the wireless mic to the same 16-channel UHF frequency. Choose between two different wireless systems – one with a wireless handheld mic and the other with a hands-free lapel mic.

PA919PS-E *PA919PS with Q319 wireless handheld mic* $1,290 *(not shown)*
PA919PS-F *PA919PS hands-free operation with M319 beltpack transmitter and lapel mic (not shown)* $1,290
